wired Ethernet speed up to 100Mbps

8 Fast Ethernet auto-sensing ports

easy plug & play connection

FAST
up to
100 Mbps
ETHERNET
Overview / Highlights

Expand your network and connect up to eight wired devices with wired Ethernet speed of up to 100Mbps. The switch features easy plug and play connection, eight Fast Ethernet auto-sensing ports and auto-power down mode which saves energy on unused ports. Perfect for adding computers and printers to your network.

Key Features
- Fast Ethernet Speed
- Auto-power down saves energy on unused ports
- Auto green mode detects cable length and adjusts power usage to save energy

Technical Specifications

Package Includes
- 8-port Fast Ethernet Switch (DSF008)
- Power adapter
- Installation Guide

Standards
- IEEE 802.3u 100BASE-TX Fast Ethernet
- IEEE.802.3i 10BASE-T Ethernet
- IEEE 802.3x Flow Control

Network Interface
- RJ-45 connector for 10BASE-T and 100BASE-TX Ethernet Interface

Power and Power Consumption
- Power: 12W, 12V@1A DC input
- Power consumption: 2.7W (max)

Physical Specifications
- Dimensions: 157 x 95 x 32 mm (6.18 x3.74 x 1.25 in)
- Weight: 0.2kg (0.44 lbs)
- Operating temperature: 0° to 40° C (32° to 104° F)
- Operating humidity: 10% to 90% relative humidity, non-condensing

Warranty
- Limited 1 year warranty minimum or longer if provided by law. Plus 90-day basic customer support. Please visit www.on-networks.com/warranty for warranty and support details in your region.
